

## THOMAS' ELEPHANT.

Doesn't Know What to do With the Revolutionists  
New York, June 10.—A Washington dispatch to the Herald says: "The white elephant which Commander Thomas, of the cruiser Bennington, has taken on his hands at Libertad is now the subject of international complications. The Ecuadorian revolutionists want the fugitive Commander Thomas to hand over his vessel last Thursday and he demanded them. There are men on board the Bennington, members of the overturned government, and the revolutionary forces ask that they be held, the vice president especially, until answer to their demand for extradition upon the United States government is received. Commander Thomas asked for specific instructions as to what he should do in regard to complying with the request. A reply was sent him late tonight, as a result of a conference between the secretaries of state and navy and the president. The text of this dispatch cannot be obtained, but I am informed that the administration avoided giving any instructions, dispatch in effect tells him to use discretion but to be cautious and in no way interfere between different parties. Even if

United States were to direct Commander Thomas to land the refugees the vice-president, as Commander Thomas calls me, would not be among them, for according to navy department advice, he has left the Bennington and is now on his way to join the Esmeraldas at Panama. The Esmeraldas are the men the revolutionist desire, and the capture of a few of their supporters would hardly compensate them for the escape of the aids of the late government.

## NOT MARRIED.

Justice White Indignant Over the Baseless Report. Berkeley Springs, W. Va., June 11.—The report of the marriage made yesterday of Justice E. D. White created much surprise. Justice White came here on the evening of the 11th from Washington with a party of friends, among them was the lady whom he is reported to be married. He engaged transportation for his departure for New Orleans tomorrow on the day of his arrival. Tonight, on the receipt of many telegrams asking as to the truth of the report, the correspondent called on Justice White in reference to the matter. He expressed surprise and indignation at the rumor, which he, of course, said was untrue.

Justice White said he was leaving here for New Orleans on an early train tomorrow to fill an engagement in the court of appeals here for the 15th instant, and was exceedingly sorry that such a report should have been circulated without personally ascertaining the truth. Justice White said that he had come to Berkeley Springs with the lady and her family to introduce them in their summer home prior to his departure for New Orleans. His marriage will not take place until the fall. In publishing such injustices, he said, the press should be censured.

## Austin Much Interested.

Austin, Tex., June 12.—Matters political are assuming a red hot state here. Almost every one has a combination of figures and theories which he relies upon as certainties. Primaries are to be held next Saturday in the following counties: Anderson, Austin, Bell, Bowie, Burleson, Caldwell, Camp, Fannin, Limestone, Navarro, Shelby, Travis, Walker and Washington.

On the following Saturday, June 23, the following counties will hold primaries: Angelina, Bastrop, Clay, Dallas, Floyd, Goliad, Hays, Hunt, Johnson, Madison, Montague, Nacogdoches, Scurry, Tom Green, Van Zandt and Wilbarger.

This is a partial list and when completed it will be seen that a great many changes may be made in the present standing of the candidates by the action of the primaries to be held during the present and succeeding weeks.

## The "Katy" is for Texas Now and Always.

## At a recent meeting of the Western Passenger Association lines it was requested by the Missouri, Kansas and Texas that the series of home seekers' excursions, inaugurated some months ago by the Missouri, Kansas and Texas, to Texas, be continued during June. The request was met by violent opposition by other lines, but the "Katy" having the interest of Texas at heart, persisted and have publicly announced that on June 12 they will sell from all Northern gateways, such as St. Louis, Kansas City, Hannibal and Junction City, tickets to all points in Texas at one-half the regular one-way rate plus \$1, allowing holders to stop over at pleasure in Texas within five days, in order that Texas may equally derive the benefit of a reduced rate, tickets will be sold on June 22 from all points in Texas to above named gateways at one-half the regular one-way rate, plus \$1. This independent action of the Missouri, Kansas and Texas will be a great benefit to Texas and appreciated by their numerous patrons.
